

Welcome to SEEDS

Alliance Onboarding

ver 12 April, 2021

It is a **NEW**
financial and economic
SYSTEM governed
by the people

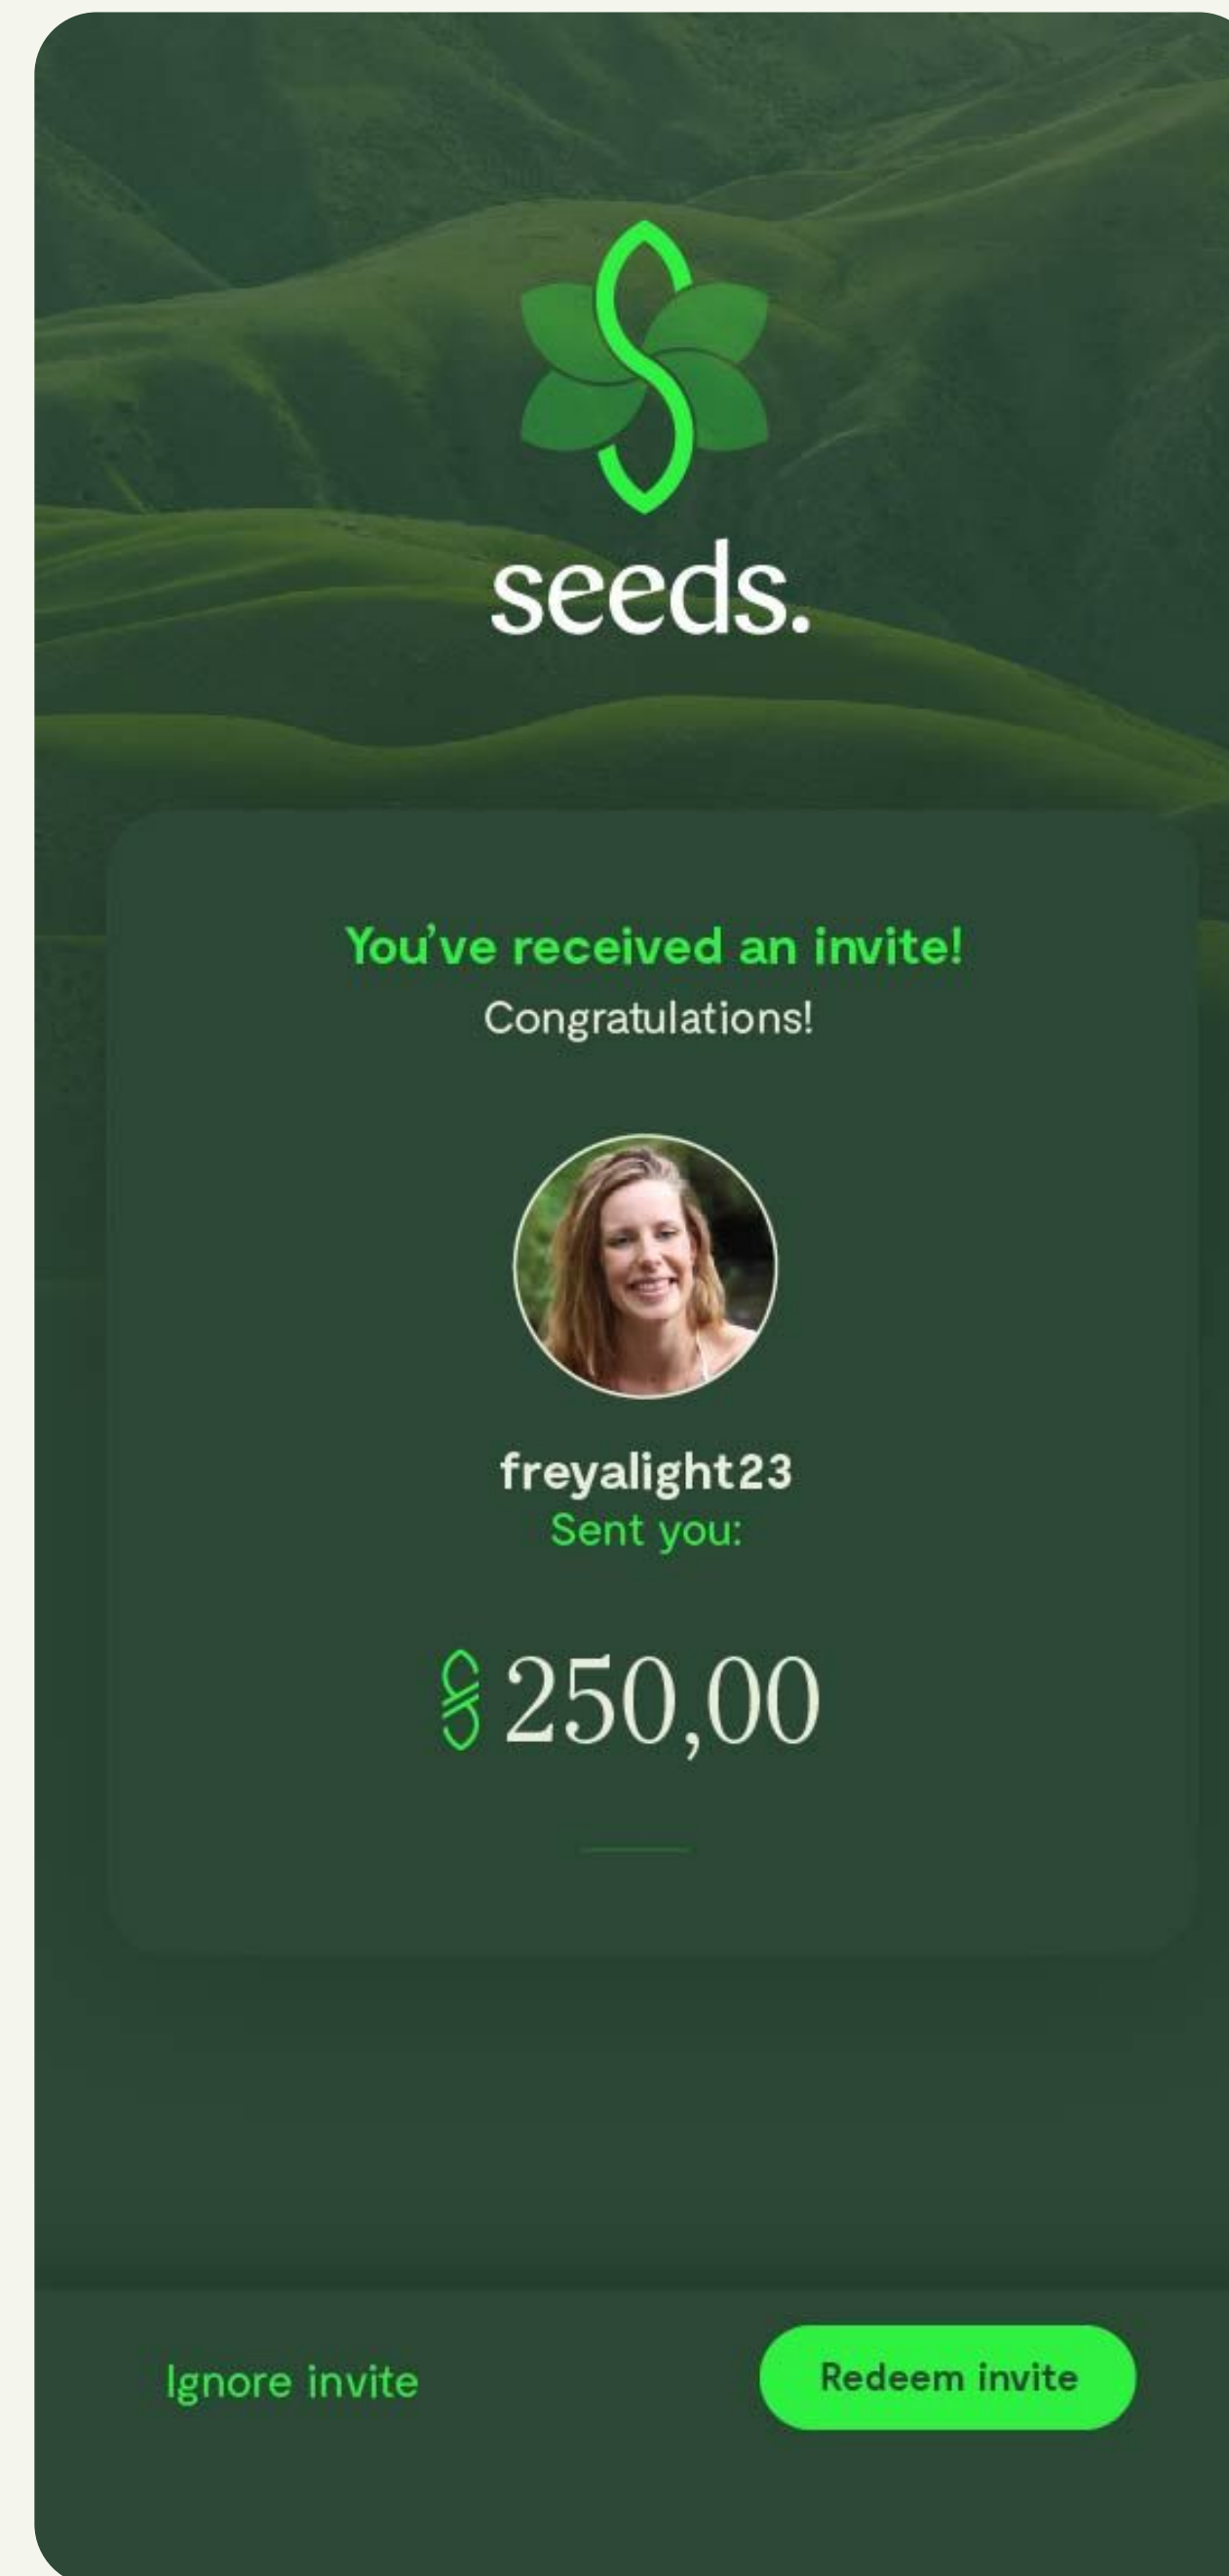

SEEDS is providing tools,
systems and support to
CO-CREATE a thriving
world

It is designed to be
equitable for the people
and **REGENERATIVE**
for our planet

Sowing
Equitable
Ecological
Decentralized
Societies

Seeds
is the name
of the currency

SEEDS offers tools to help

regenerate our planet and encourage collaboration,
cooperation and community building

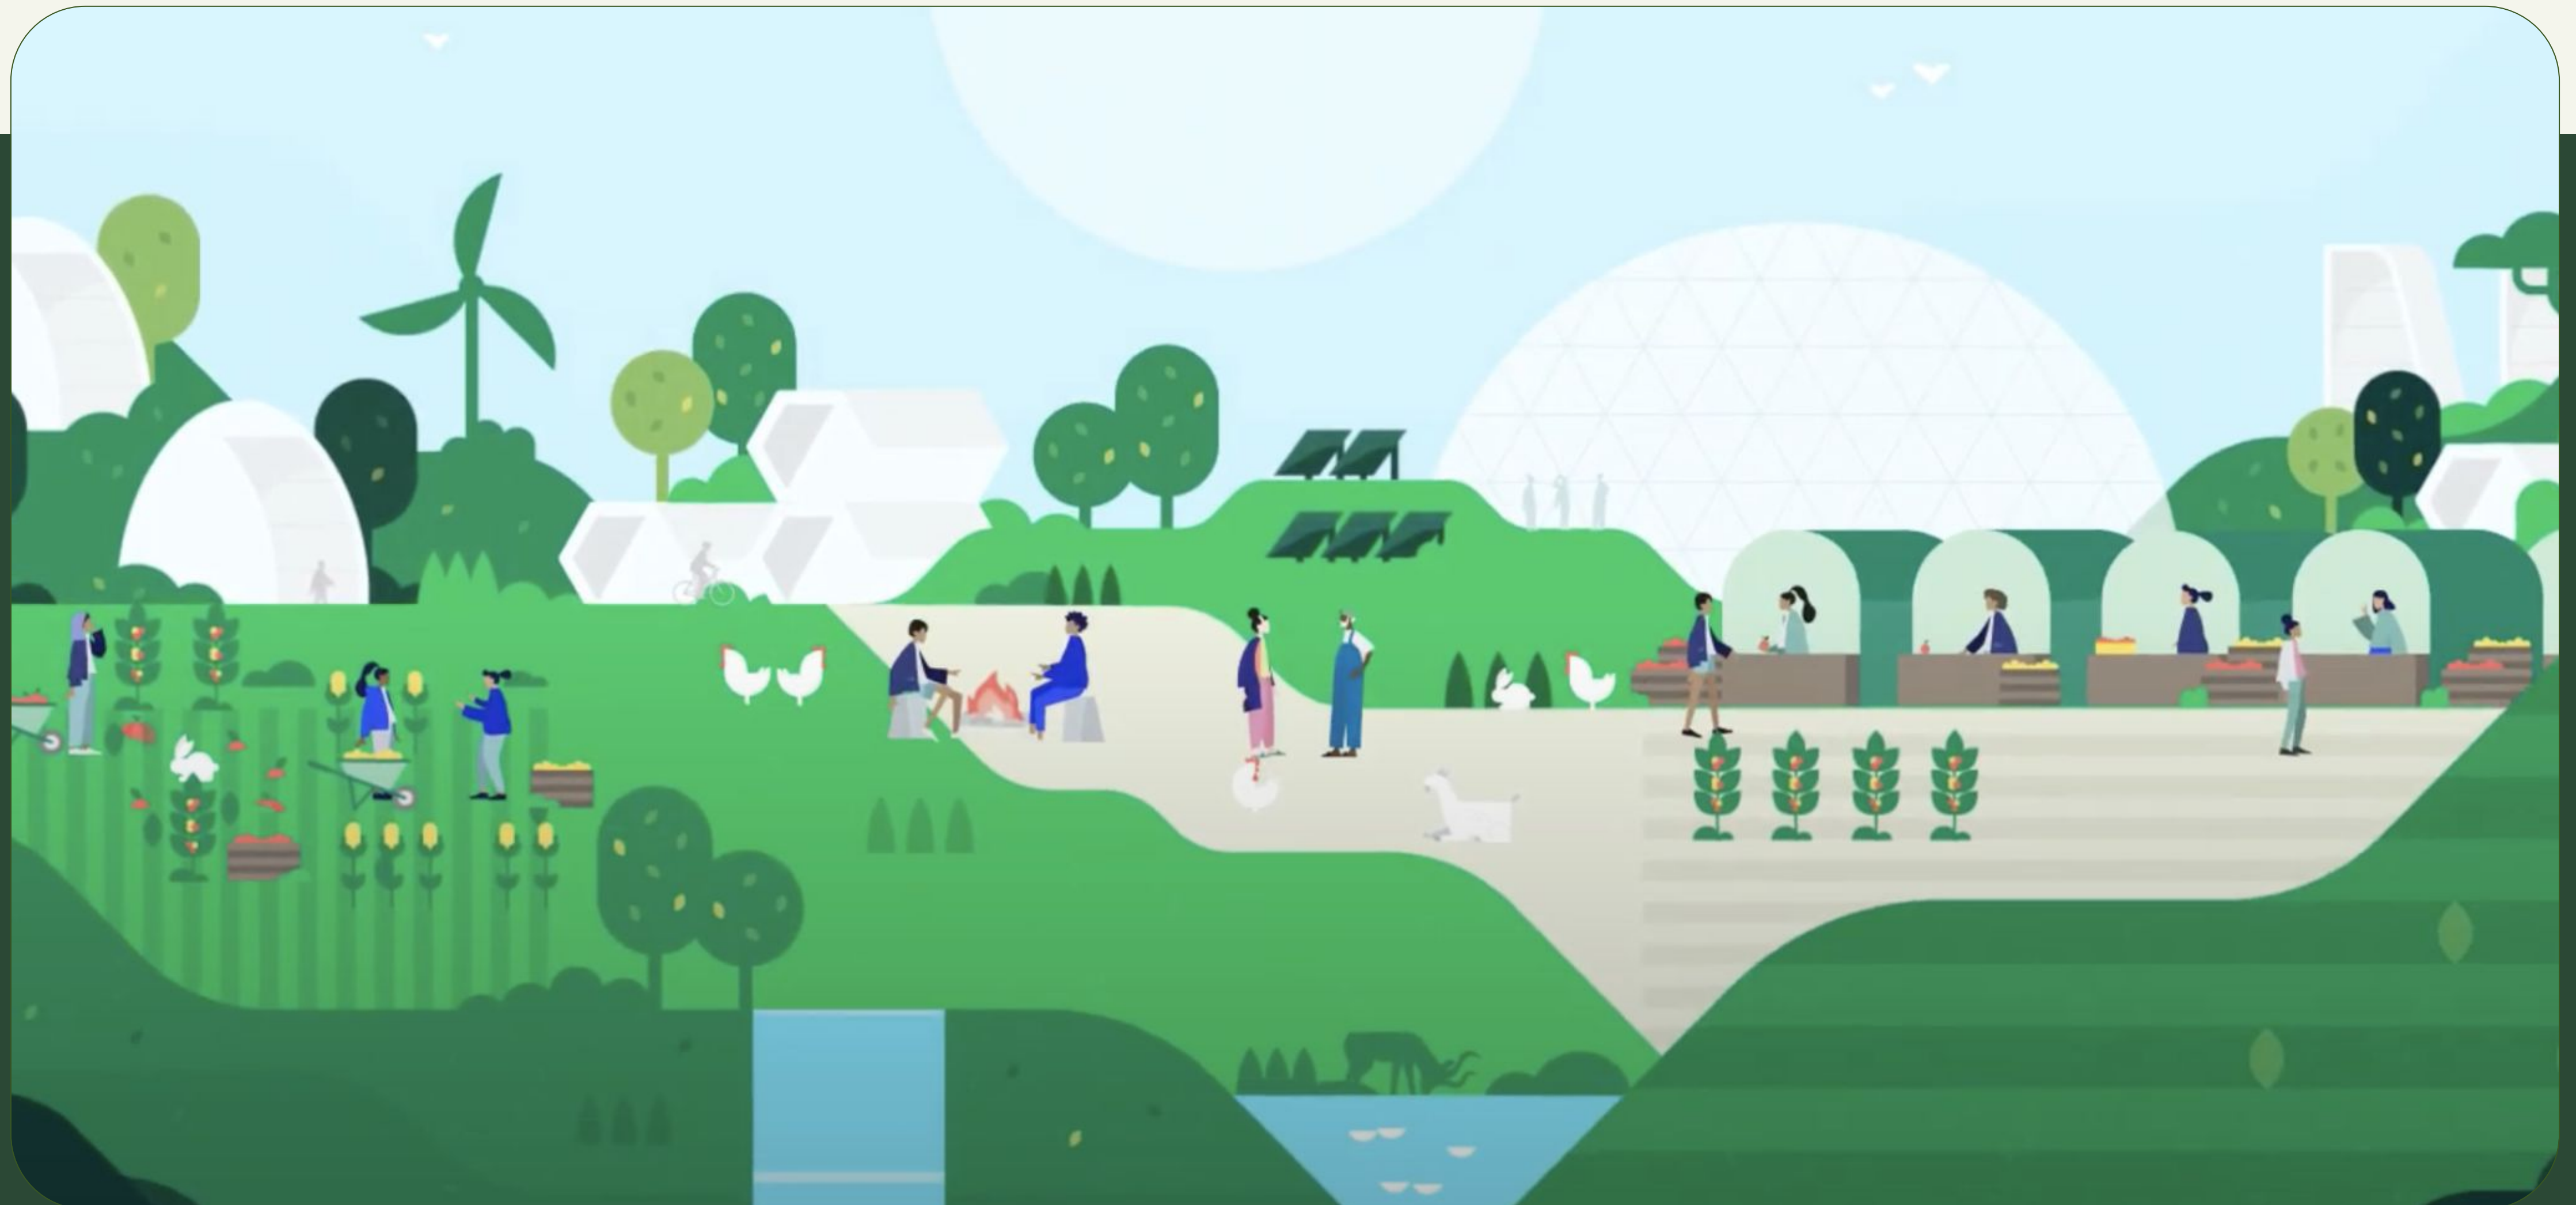

1

It serves as a **payment** platform and it is **free** to use - there are no transaction fees

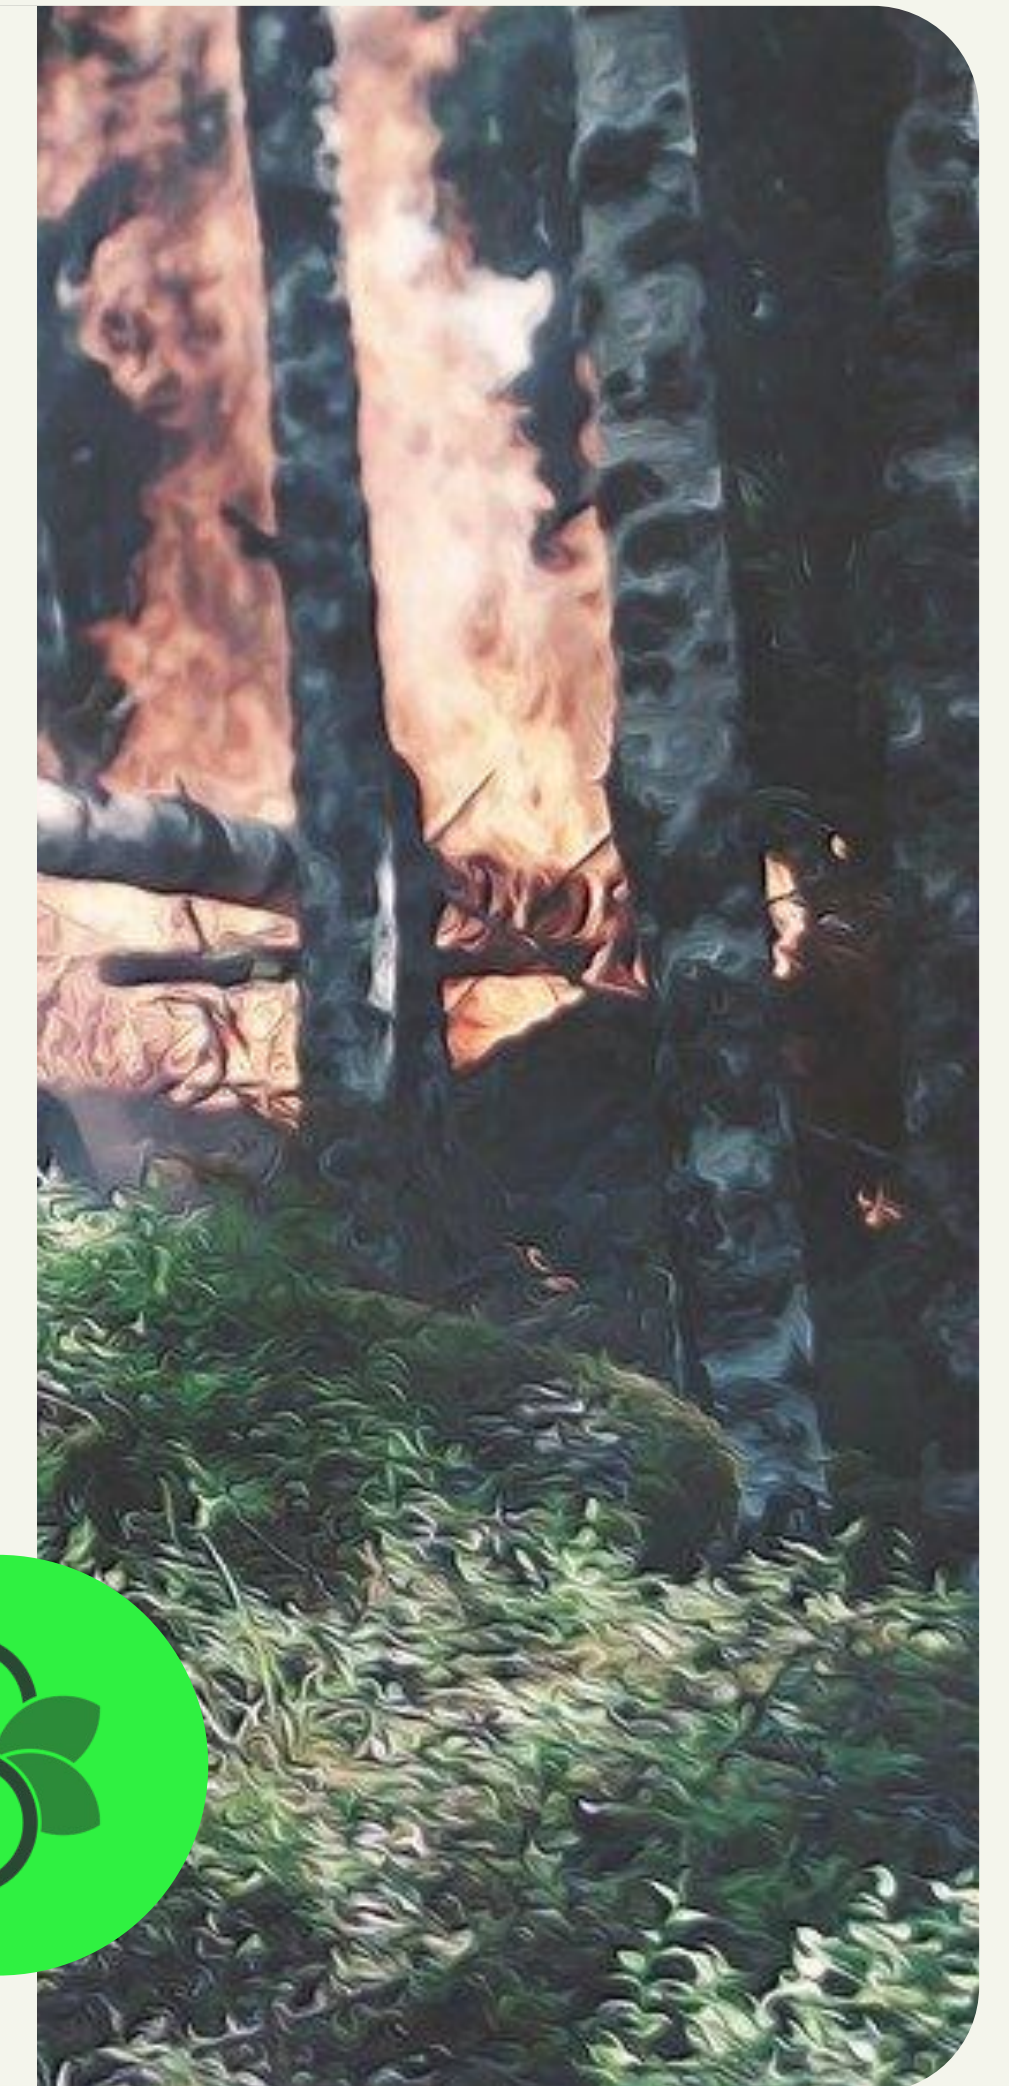

2

Finance and support projects and organizations that are **regenerating** and **healing** our earth

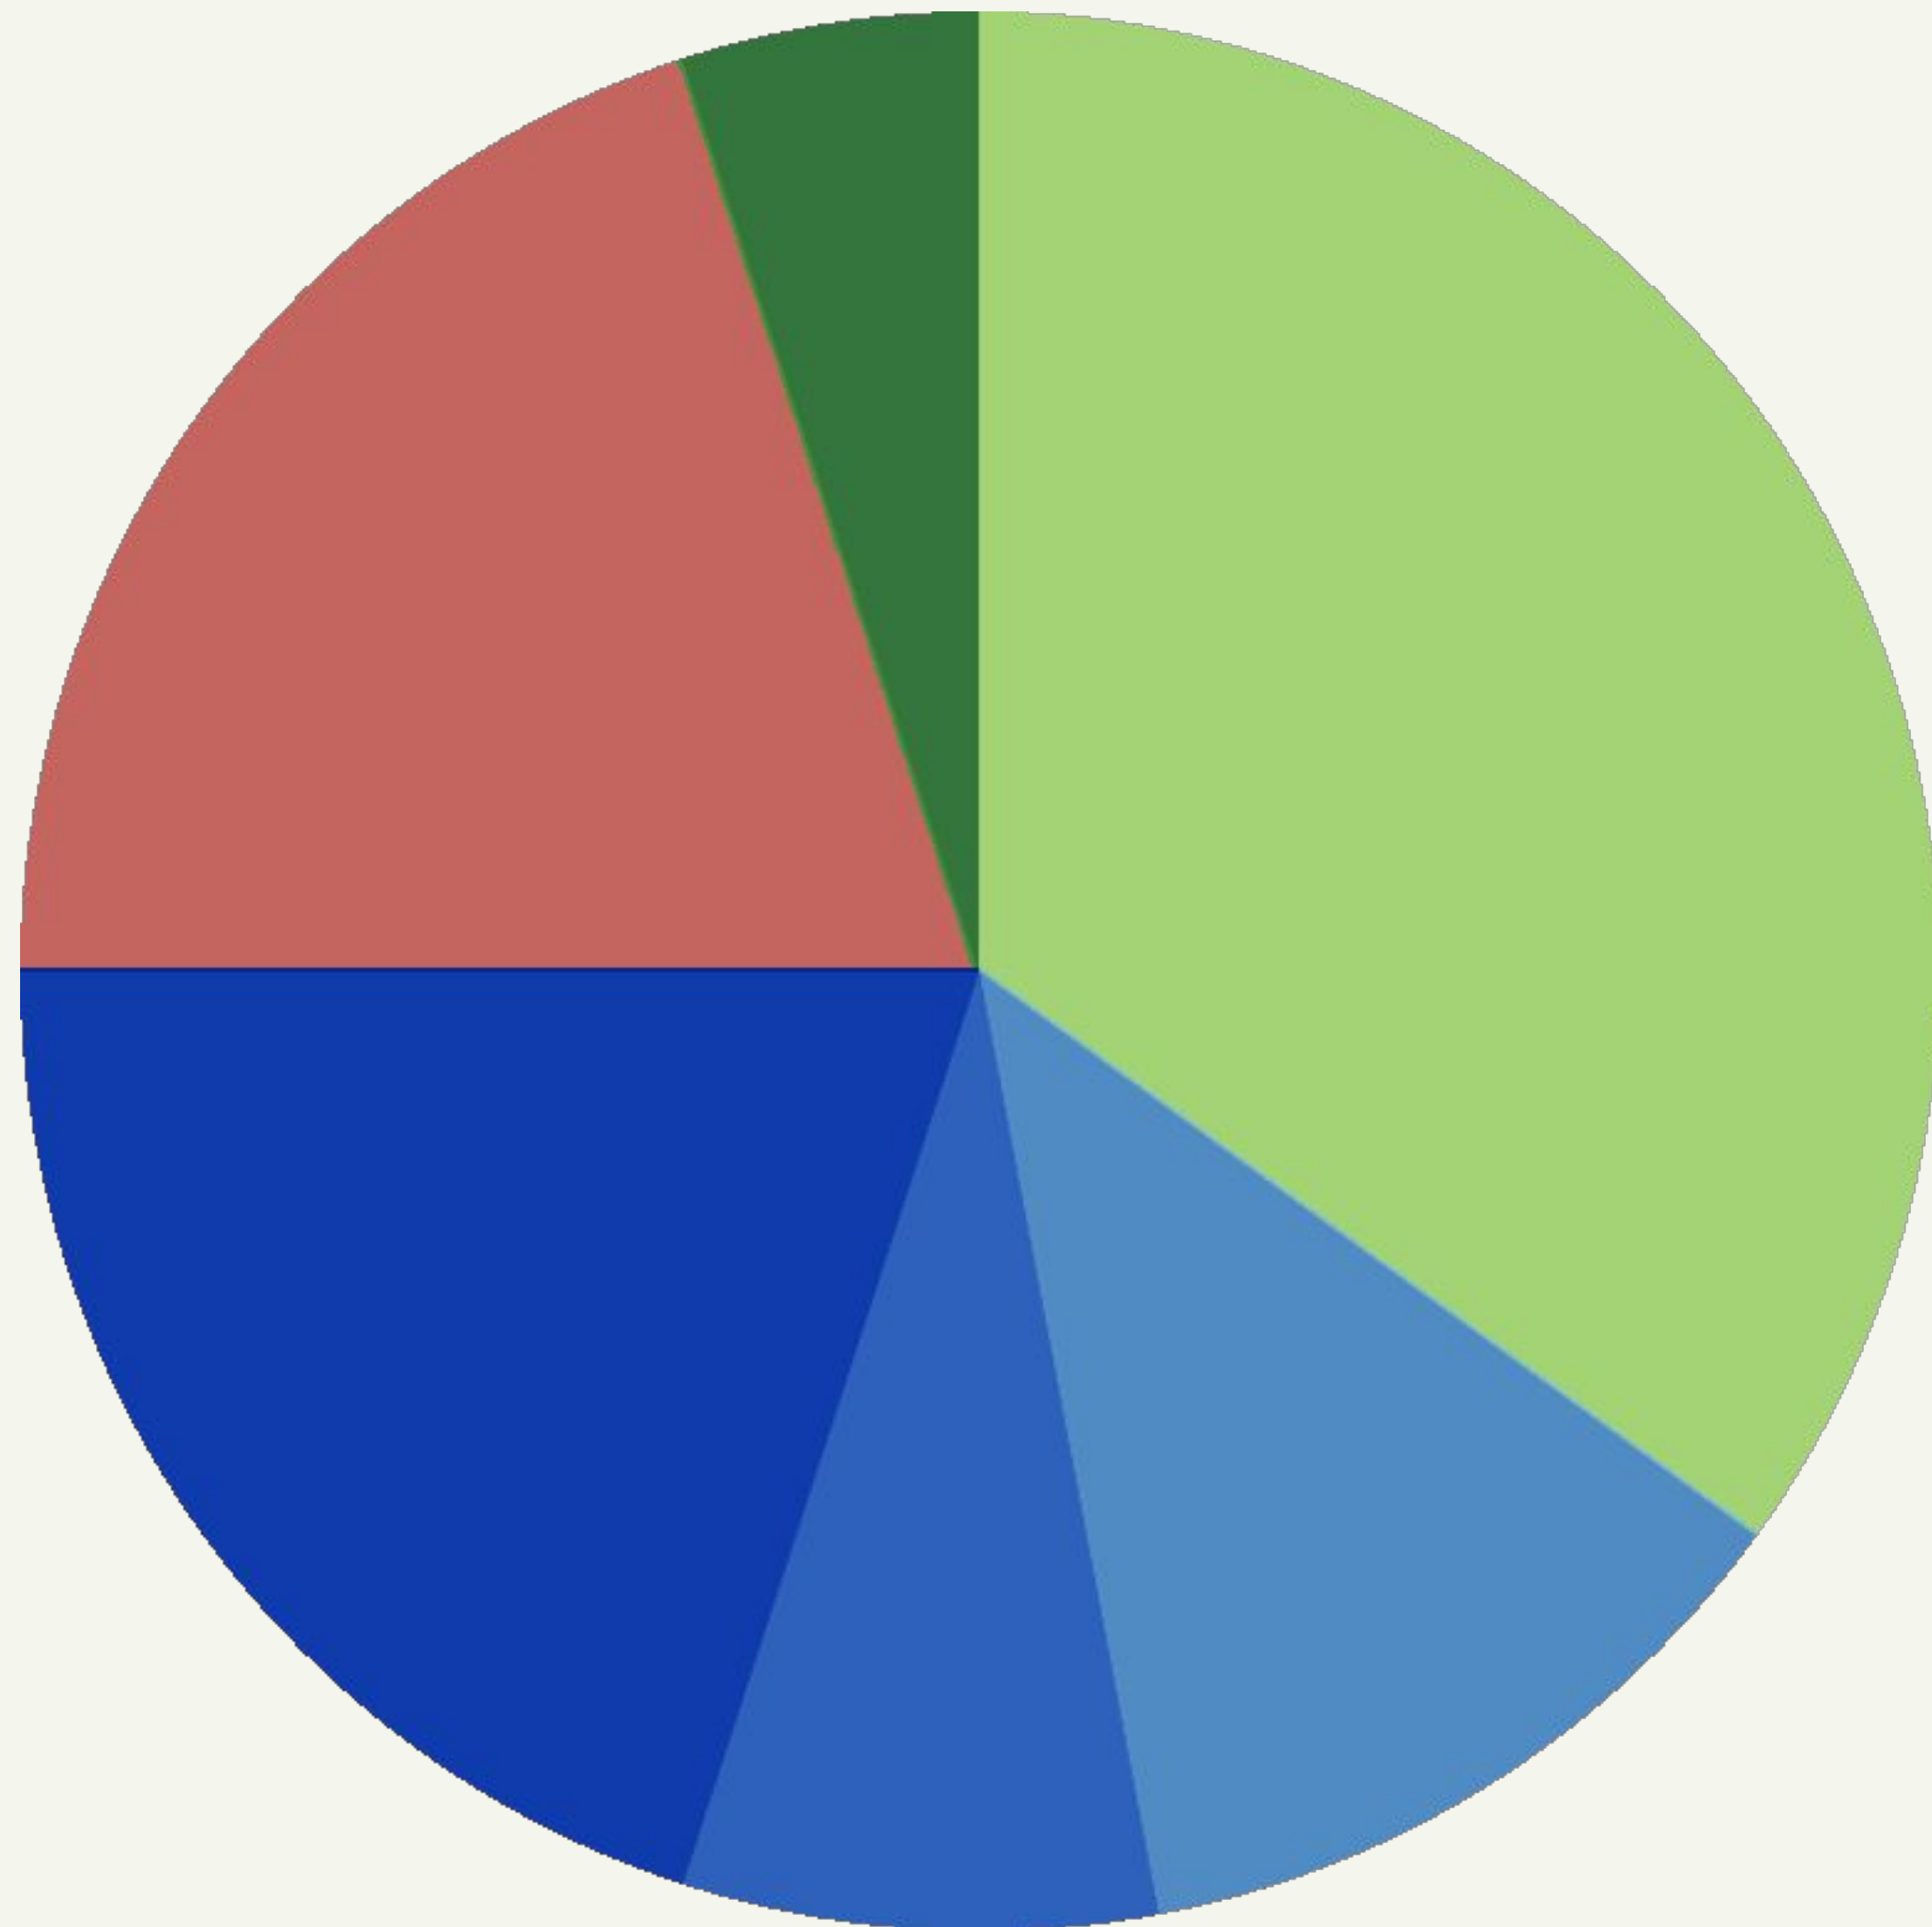

2

Finance and support projects and organizations that are **regenerating** and **healing** our earth
