HYPHA Game elements

How we play SEEDS (so far)

HYPHA is a decentralised human organisation who’s members came up with the vision of the regenerative community SEEDS and the currency Seeds and who are developing and creating the new ecosystem up to the point when the SEEDS citizen vote to cut the umbilical cord.

Everyone who feels called is invited to co-create!

What's your role?

If you feel called to co-create with us to develop and grow the regenerative renaissance of SEEDS, your first step is the SEEDS Ambassador Academy, see next slide!

SEEDS Ambassador Academy: The pathway to co-creation

How to become a SEEDS Ambassador

A SEEDS Ambassador supports individuals and organisations to onboard to the SEEDS ecosystem and movement. We do our best to support and steward Ambassadors on their way to find their purpose in SEEDS and start co-creating. Therefore we created the SEEDS Ambassador Academy and are constantly evolving and adding new elements, modules, tools to make this journey as playful and educative as possible.

If you want to become an Ambassador, first steps are:

1. Join the #Ambassador-general channel on Discord
2. Join our next Global Ambassador Call to introduce yourself and meet other Ambassadors from all over the world and find your buddy.
3. Join the NEW AMBASSADOR ONBOARDING call happening every full moon
4. Apply for the Ambassador Academy, form your tribe, and start the Journey!
